

Inavale Farm Summer Day Camps

We offer five day riding classes from 9:00-12:00, which gives plenty of time for instruction in grooming, tacking up, horse care, and arena and trail riding. Our horses are gentle, well trained, and experienced.

These lessons will be small groups of six to eight riders, and each rider will have his or her "own" horse for the week.

2016 Dates:

Level 1: (for beginning riders with little horse experience)

July 4-8

July 11-15

August 29-Sept 2

Level 2: August 1-5

(for riders in regular practice, who can trot comfortably and have cantered)

We try very hard to group riders according to skill level. If there is any question about which level is appropriate for your child, please contact Kelsey (541)929-5706 ext. 1 to discuss.

If these dates do not work with your schedule, we will be taking new students for regular lessons this summer.
